

## **MANY LANGUAGES – ONE WORLD**

If you have a written message in English, French or Spanish to get across or need to do business in an international marketplace, don't let language barriers stand in your way.

OFFICE LINGUA provides high quality, efficient, confidential and professional translating and coaching services based on longstanding experience.

We are highly focused on understanding each client's individual needs and providing quality services – in a timely manner and at reasonable prices.

We have specialized in all aspects of plastics engineering, bonding techniques, boxes and cases, automotive industry, contracts, export documents, marketing and fashion & fabrics.
